Gallery Organ

Opus 77
Four Manuals, 54 Ranks
2002

The console in the gallery is a four manual console. Its lower three manuals and pedal control the stops listed immediately below. The manuals have mechanical action. The fourth (upper) manual plays the stops of the Chancel Organ downstairs at the opposite end of the nave. The pedal division of the Chancel Organ is also playable from the Gallery Organ's pedalboard which has electric action.
